Dear **FOX XXXTREME**:
GodDAMN, but is that Phoenix Marie one fly bitch! What I wouldn't do to her if I had me fifteen minutes alone in a room with her...OK, OK, you got me. It's been so long since I had me a woman it might take only five but you can be goddamn sure that those would be the best five minutes of her life! I bet I could make her cum once per minute. Yeah, I'm that good. At least I was, once upon a time. I just need to be given the opportunity to get back in the saddle and that there Phoenix is exactly the one I want bucking beneath me. Looking forward to seeing much, much more of her, inside and out.—*Lionel in KY via email*

Dear **XXXTREME**: Is it just me, or is that Jonni Darkko fellow the luckiest man alive? He has my dream job—directing dirty movies featuring the hottest female talent available. I wonder if her ever gets his knob polished behind the scenes. I mean, he must, right? How does one get to be in a position of such power in porn land? Does he need an assistant? I have no scruples, I'll do anything. It would give me great pleasure to run to Starbucks and fetch coffee for the hardly-working whores he shoots. I can hold lights, microphones, whatever he needs. Man oh man, does he have it made! He must be rich too. I know that I've lined his pockets a little because

I own just about every dirty movie he's ever made. I love buying porn online. I've bought everything I've ever seen featured in your mag, I love owning the movie and then reading the stories you print about what went on during the shoot and it makes me feel like I'm really part of the team. Go Team Porno!—*K. in Morgantown, WV*

Dear FOX XXXTREME: Love your mag. It's, like, harder than other mags and sort of more pornographic than other porn mags (if that even makes sense) and I really like that. I feel like it really satisfies a need I have to see the dirtiest, filthiest, nastiest sex there is out there. My sex life is pretty vanilla so I have to come up with ways to spice things up on my own so I don't die of boredom. My GF is not at all willing to try new things, it totally blows. Thank god for my stash of FOX mags in the basement, that's all I gotta say, man. Keep up the good work. You are really doing a good thing!—*Vinny in Iowa via email*

Dear Editors: The thing I noticed most about Phoenix Marie is that in every single pic she's smiling, laughing or else wearing an expression of utter joy and delight. That girl really loves getting fucked, doesn't she? You can tell by the gleam in her eyes. That's my kind of woman right there! Even when the cock is in her asshole she looks happy. In fact, that might just be when she looks the happiest. It's like she's doing what she was born to do, like she was literally put on this earth to fuck and get filmed while doing it. I think that's awesome.—*Mark in MD*

Dear FOX XXXTREME: I really really enjoy reading all the little quotes and Q&As you print. It's so fascinating to read what these ho's have to say. Some seem like they might even have a brain! Not that I'm really interested in them for such things, it's just sort of intriguing. A girl can be a great fuck and dumb as shit and I wouldn't care. In fact, it might be better that way, the smart ones

want too much. But I'm fascinated by the ones who seem like they have other things going on for them aside from being famous whores. Like after they mop the cum out of their pussies they could go and teach a class in school or something. A smart whore. Huh, who knew?—*Douglas in D.C. via email*

Dear FOX XXXTREME: I've only read one issue, but so far I like what I see. It's totally different from any other skin mag I've ever encountered and I like it! There are so many pics, so many great stories to read, reviews, movie stills, it's like—POW!—overstimulat-

ed! I like being overstimulated, it's the only way to be as far as I'm concerned. I'm gonna keep buying your mag as long as you keep new issues cummin'! Keep up the good work—*Ben in Austin, TX via email*

FREAKY FOOT JOBS

IMMORAL PRODUCTIONS

DIRECTOR: PORNO DAN

SLUT AND PUPPET:

KERRY LOUISE, ERIC JOHN

27155

KERRY LOUISE: "What do the guys like at home? Tell me what you want."

PORNO DAN: "Nobody's talking right now."

ERIC JOHN: "That's because they're all wanking."

"Dan, can I suck your cock please?"

"Of course you can."

In an ongoing effort to broaden the fetishistic range at the Immoral Productions Studios, the last day of the work week has been designated Foot Job Friday. During a live one-hour internet cam show, a porn ho's dogs will be pathetically fetishized by a willing manservant who is ultimately expected to activate as many loads as physically possible with only his object of desire's tootsies as the primary friction-providing equipment. There will be no vaginal or anal penetration of any kind. That's right, the precious, smooth, silky, welcoming female mucous membrane is OFF LIMITS because in Porno Land, as is the case everywhere else, access to that rarified place always costs more. Pussy is very expensive and rarely does it find its way to you without a price. [On rare occasions it may appear as though the pussy you are receiving is gratis. But you are being deceived, my good man. In time, you will PAY.] And in order to keep all the marketing bases covered, I hasten to mention that today's results will be released in a volume of the *Freaky Foot Jobs* DVD series.

Right now, huge-knockered Brit Kerry Louise's hooves are in focus. The multi-orgasmic sperm factory Eric John has been brought in to provide context and load entertainment. Porno Dan instructs Eric to don a black dog bondage mask before making his entrance. His scene direction to Eric, who is already being referred to as The Fuck Monkey, is simple: "Play with the feet the whole hour. Then cum a bunch of times." Ha ha, how precious.

Eric John enters and kneels before a seated Kerry Louise. He attempts to get to work on her shoes but the absurdity quotient is so high that the mask and shoes soon come off and toe sucking begins. Now *that's* entertainment! Porno Dan tells Kerry to order Eric to lay naked on the floor while she smears Twinkies on his junk with her bare feet. To make matters more inane, Dan soon goes all Alpha Male and receives head from Kerry while Eric John continues sucking her feet.

Porno Dan is obviously writing the checks today, so he can do whatever the hell he wants. Oh, and speaking of checks, the one he is writing to Kerry Louise must also include a fee for some vaginal penetration on his part because the day's rules are quickly shattered and he ends up banging her out. Never mind what I wrote earlier. Pussy is still expensive, both financially and emotionally. Trust me on this one.

KERRY: "I like the American accent, I love the Welsh accent. It is so nice and it's sexy. I'm from Nottingham, England. Robin Hood and all that. I'm twenty-six, I come to the U.S. every other month. I shoot about twice a day in the U.K. but it's because I come to America so much and I'm only there for a month so everyone books me up. I've had my boobs done again so everyone is trying to get me in. I am a 32HH and they are ten weeks old now. I was FF before, so this is my second time. I love big tits. I'm happy with these but obviously I want to go bigger."

KERRY: "I don't like DPs and I don't do anal or anything like that. I don't do anal because of the money, first off. I'm waiting for the big payout. I have in my personal life, but not as much as normal sex though. I find it quite personal. I don't do anal with random guys. I admire people that do anal on film, trust me, because obviously you have to be good to take that in your ass."

KERRY: "When not doing porn I have a dog at home. I spend loads and loads of time with him. He's a Chihuahua named Charlie. He's all over my blog and everyone knows about him. In England he goes to set with me. He has been filmed all sorts of times. I fucking love him, he's my baby. We can carry them around in a bag because they make no noise, they are so perfect. I like going to the gym, spending time with my housemate, just being normal, really. I live away from London and I like it better that way. I don't have a boyfriend or children but I'm divorced."

The performance hour is winding down and it's show-time for Eric John. Kerry sprawls on the official Immoral Productions Fuck Sofa with her adored feet at one end and her mostly ignored head at the other. John pulls up at the adored end and ultimately blows three loads, each one several minutes apart. The last is delivered with stimulation from only the soles of Kerry's black spiked heels.

"It's cool when you can feel the heels on your balls a little bit," he says, after the fact.

If you want to be a male sexual performer you have to take the friction where you can get it. It's all about your loads, dude. Kerry Louise has some blush wine out of a martini glass. Omigod, this was an incredibly stupid, absurd hour or so of semi-erotic strangeness. This porno interlude had the sexual nutritive value of...uh...Twinkies! 🐱

I CERTIFY THAT I AM OVER 18 YEARS OF AGE.

LILLY LOVETTE VS. TIM VON SWINE

PHOTOGRAPHY BY TIM VON SWINE

27157

So I shot this flaxen-haired, pasty half-Russkie/half-Armenian teen by the name of Lily Lovette. She tends to be a bit dry in the personality department, but she sure moistens up once you're on the inside. Or in the inside, lol. She seems to like me enough and let me plow her for a minor handful of cash...not that I couldn't have got her cheaper but let's not forget that she (once upon a time) let me have it free of charge after dinner and drinks last year and things like that hold well with ol'Swiney, as they should, since loose women are the only ones worth having around in any capacity.

Lily was kind enough to warm up my li'l Porky while still in the front seat of my fine American automobile, before we exited the vehicle and sauntered around back for the official business. Her summery dress provided easy access, and allowed things to move along briskly once the spot for throwin' down was determined. She assumed some trashy casual poses, revealing her rack and Eastern Block-bred beaver and that was all it took to get me excited and ready to slip it to her. The nice warm day just made it that much easier for me to arrange this tryst with Lily over the phone a few hours earlier. Porno affords that sort of thing, and when it gets rolling you NEVER slow it down, lol.

A woman with long blonde hair is sitting on a black chair. She is topless, showing her large breasts. She is wearing a light-colored skirt with a red floral pattern. Her right hand is resting on her right thigh. The background consists of a light-colored brick wall and a wooden fence. A red text box is in the upper right corner.

Lily was also nice enough to fuck right back in between pics in all positions, even the ones on the ground. She got my Pig Wedge to stand stiff and at full attention after only a few easy strokes. The girls don't always do that for you here in Pornoland, unless you're paying TOP dollar, or unless they just happen to like you a little...

We ran through all our shots and positions before taking one last run in doggy with the camera on the ground to help build up the climax and for me to piggishly enjoy some last minute time in the slot. She arched nicely for the payoff. As it launched up her back and onto her already milky white complexion, she sighed a bit, knowing her workday was basically over. I sighed a bit too because I wanted to fall over after such a healthy glue launch. I snapped some last minute shots of the Pig Sauce on her tiny back and then sent her off to the shower before it started to burn her skin off...jk.

She got the cash, a ride home, and a kiss on the cheek before steppin' out of my truck to do Lord knows what, with whomever else, later that day. I, on the other hand, stopped by the pool hall, had a couple cold beers and gloated a bit to all of my blue collar friends who all have a bit too hard of a time getting laid, if you ask me. St. Paddy's Day hadn't been this good for ol'Swine in a long, long time. Somewhere up in the big blue sky, I think Babe Ruth himself had a gleam in his eye...or so I'd like to believe.

Jim Powers takes Kirra Lynne's pretty girl shots in the living room of a hilltop porn house in Encino. Then his assistants move the operation poolside. The automated penetration of Kirra's orifices will take place on a wicker chaise lounge. There are several single- and multi-headed probing contraptions on hand. Powers plans to begin on her pussy with the stationary machine and then move on to anal with a sinister looking handheld power tool with a pink penis dildo situated at the end of a piston.

SLUT AND PUPPET:

KIRRA LYNNE, FUCK MACHINE

27153

A full-page photograph of Kirra Lynne lying on her back on a lounge chair. She is wearing a pink fishnet bikini top and matching fishnet stockings. She has a large, light-colored dildo inserted into her vagina. She is looking towards the camera with a slight smile. The background is a grassy area with some trees and a fence.

KIRRA LYNNE: "I was the first female football player in my middle school and I played all the way through high school. I was the only girl so of course when I hit tenth and eleventh grade all of the guys were getting really big. I wasn't the smallest one on my team. I was five-two and 150 pounds. I was strong, I was fast and had quick feet. I went to all of the workouts and practices. The guys treated me just like a dude and didn't take it easy on me and I didn't take it easy on anybody. It was a lot of fun. I loved the adrenaline rush from it. I loved getting slammed to the ground and I loved slamming people to the ground. I was a defensive back and then in tenth grade I was a backup running back. I miss it."

No fucking kidding. Kirra has already gained a reputation as the sturdy type. A quick check of her porno credits indicates a buttload of huge cock projects in which she is tossed around like an abandoned love doll in a hurricane. There are two types of porn girls: the durable and the delicate. One would think durability is compulsory in order to sustain being manhandled in a sexual way by several gents twice your size, but this is not always the case. The durable tackle the job like a defensive back slamming a wide receiver to the ground because they CAN. They are here to TAKE NAMES. The delicate do as little as possible, but enough to get paid. They always complain about something, even when the going is relatively easy. It's pathetic.

Kirra is durable in the truest sense of the word. That's why Powers has hired her to be penetrated by a bizarre assortment of mechanized devices. The elimination of as much of the human factor from a porn scene makes things easier. By purging a foible-prone organism that is required to gain and keep a soulless erection and then blow a load on cue, the scene fuck-up variability quotient is cut in half. No sitting around waiting for a pop? Excellent!

"We got rid of the male talent," says Powers. "They're the most annoying creatures ever placed on this planet. Female talent? They're just like strippers. Do you ever sit down and talk to male strippers? Need I say more?"

KIRRA: "I always kind of thought that doing porn would be kind of fun and adventurous. I was in a strip club one night and Jessica Drake and a couple of the Wicked girls were in there performing and doing dances and stuff. I talked to them after and asked them a little bit about the industry because it interested me a little. There was actually an agent there that got me started, then I learned that there were better agents. Then I moved up a little and started getting a little more work and ended up in California."

JIM POWERS: "I like *Fuck Machines* because it's very relaxing. It's like watching the ocean or something. The waves going in and out. I would love having something like this set up in my own house with a fuck machine and a girl just going for hours being fucked with lube being pumped into it. It would be in the background like having a fish tank or something. It's extremely relaxing. [JM's] Tony Malice told me this morning that he was watching Trina Michaels in *Fuck Machines 2* and found it totally mesmerizing and really started liking it. He started understanding why people really love the fuck machines."

Most lines we do for JM don't even have male talent anymore. *Liquid Gold*, *Fuck Machines*, *Overstuffed* and *Lesbian Bukkake*. A few years ago it was the year of the male talent. Red Light had those horrible "male talent lines." They would pull out their dick and stick it in the girl's mouth and that kind of stuff. 2005 was the PEAK OF SHIT! Now we're just living this pile of shit that we've created. It's a fact. It's also completely destroyed the marketplace. Porn is destroying itself. I think the future is in live sex shows that can't be emulated. That's why cams are so popular. What we need is a live sex place that people can go into. How are you going to pirate that? This is a mess."

KIRRA: "I'm very open-minded. I like a lot of natural stuff and I like hair pulling and rough sex. I like being dominant and I like being submissive. I'm pretty diverse. I like a really strong dick. Then I can pretty much do the rest of the work. I like doggie but I like missionary and I also like cowgirl a lot because you pretty much have control of the rhythm, the speed and what you're doing. You're grinding, you're bouncing. I love anal. I don't do it a lot because I don't want to wear my butt out, but I like it. It's a different feeling and it's a more intense orgasm. It doesn't take much. My spot is probably like just an inch in."

KIRRA: "It was never really about the money. It was more about the experience. I thought it would be fun and it happened. The money is always a plus. If the money wasn't in it you probably wouldn't do it, but I know that I do really good work. People always get their money's worth. It's more like I'm giving to them. Before porn I was a waitress at Ruby Tuesday's. While I was doing that I had gone to the dance clubs and started dancing a little bit. Just like every weekend I would bring one of my girlfriends up with me and make some money you know? FUN! PARTY TIME!"

KIRRA: "I was a football player, I did cheerleading, I did softball and track. I got voted most athletic in high school. I love sports. I would love to do sports broadcasting possibly. My dad is a churchgoer/preacher type. He used to be a preacher and then a youth minister and I was always expected to be a good kid so I was kind of sheltered growing up. I never really was sexual. I never really got into it that much. Maybe like three or four times after I lost my virginity with the boyfriend that I had, but I didn't really put out. It was more like first the idea would be in my head and, you know, when you think of things you always think of how cool it would be, or how fun it would be, or how nice it would feel and if when you actually act out on it, if it's something you really like, then you want to keep doing it. You just keep getting better and better at it. I'm really, really sexual now."

Powers is careful to monitor Kirra's experience with the speed and angle of each instrument and has his assistant position and operate the appliances during videotaping. There's no problem because Kirra Lynne came here today suited up and ready to take names like she always does. The unique, strangely beautiful interaction between woman and machine, rather than a portrayal of lust, is the creative objective here. Mechanized functionality meets the female sexual spirit. This is erotically-themed performance art. 🐱

DIRECTOR:

IVAN

SLUT AND PUPPET:

AMAI LIU, JACK LAWRENCE

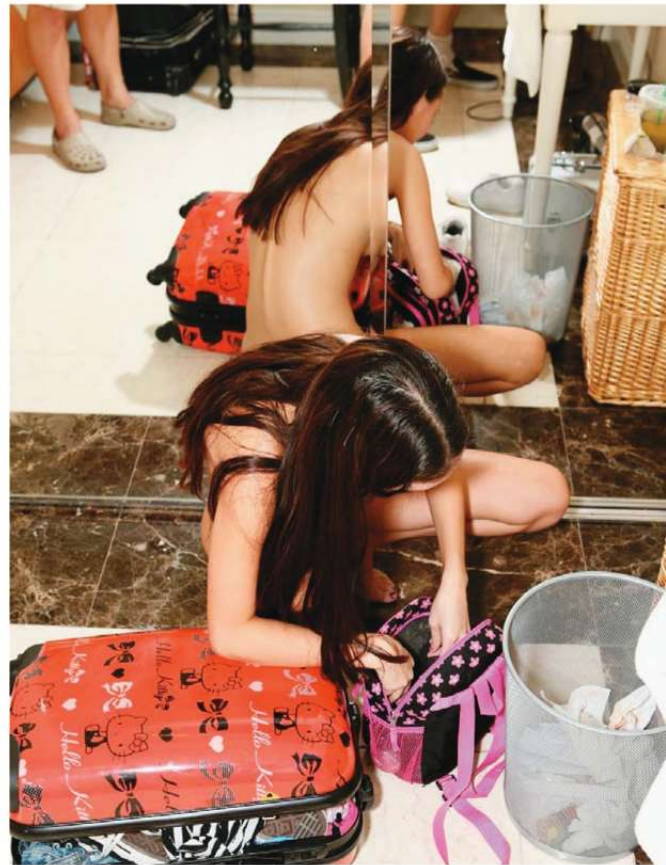

27244

Amai Liu is not feeling on top of the world today. She has a headache. The killer of all sex acts. She'll because this is porn and porn is a job. All careers require sacrifice at times, and that's especially so in this business, for both guys and girls.

She is very slim. In fact, few girls working today can compete with her tininess. She takes spinner appeal to the next level. For these reasons alone she's a real attraction with a very distinctive look.

"I am nineteen and am of Chinese, Lenape, Cherokee, Dutch, Persian and Kenyan descent, originally from Hawaii," she says. "I grew up in Hawaii, Pennsylvania and Jersey. I started to do porn three days after my eighteenth birthday. I finished high school when I was sixteen so I was being lazy for a couple of years. No job. One day I had a pop-up on my computer and there were some, I don't want to be mean, but there were some really unattractive girls, and it said click here to come play with us. I thought, *I am prettier than they are—I could do that!*"

She recites her list of ethnicities quickly because she apparently gets asked often. In case you're wondering, the Lenape are a group of American Indian tribes who inhabited what is now New Jersey, Southern New York, eastern Pennsylvania and the Delaware River Valley. I didn't know either. Amai is very forthcoming about her life and times. She speaks with a very quiet and direct, non-teen tone. A voice of duty and introspection.

Today's bangout also stars nice guy Jack Lawrence, an ex-cop who has logged over 700 scenes and prides himself on his pussy eating skills.

"I'm the only one in the history of porno who won an award for eating pussy," he says. "For twenty-six years the best oral sex scene has been assumed to be a blowjob scene, until '07. I got the AVN nom for that and the adultcon win for that. That's what I do. I eat pussy, so pussy should be trimmed on the sides. A perfect triangle nicely trimmed? THAT'S A WOMAN!"

The great Ivan is the director today. He has already taken the pretty girl stills and taped a tease sequence. Now he is doing a pre-scene video interview.

Ivan: "Do you want to go and do the scene? Are you okay? You look super shy. Are you ready for Jack Lawrence's wiener?"

Amai: "Yeah!"

"You know that he's like a cop/fireman guy. He's going to come in naked. I'm going to go like this with the camera and when I come back, you're going to be on set and you're going to have sex, okay?"

"Right on!"

She's the quiet type but answers all of your questions forthrightly and quickly. Ivan is ready to shoot and asks for a high energy scene with no hair pulling, slapping or choking.

Ivan: "We'll do the two cowgirls and then doggie."

The image shows a woman in a cowgirl pose on a black leather couch. She is wearing black and white striped thigh-high stockings and black sneakers with white laces. A man with a beard and a black cowboy hat is sitting next to her, looking down at her. The background shows a kitchen area with a stove and chairs.

Jack: "Do you want any variations of doggie?"

Ivan: "How about some standing positions of both?"

"How much do you weigh?"

Amai: "79 pounds."

"79 pounds! You must have hollow bones. Usually when a girl says that they're 99 pounds they're like your size. Wow, SPINNER! I'm excited about that."

Amai: "All my friends are guys. They told me I couldn't do porn because I have no boobs and I'm Asian and I would have to be blonde with double-D's. I said, *I bet you if I said I wanted to do porn I could make a name for myself.* I logged onto [a popular porn job site], went downstairs to get a snack and by the time I came back upstairs my inbox was full, all because I submitted a profile with a picture."

The image shows a woman lying on her back on a black leather couch. She is wearing black and white striped thigh-high stockings and black sneakers with white laces. A man is sitting behind her, looking at her. The background shows a kitchen area with a stove and chairs.

AMAI: "Once I started in porn I was hearing about things I did not even know existed! I thought people were joking with me. I would say, 'You can't stick two cocks in a girl's pussy! No that is not physically possible!' And then I saw it. I did my first threeway before I started doing porn but it was very, very boring. I wasn't very sexually active before I started porn. It was basically lay down with the guy and he does what he has to do. I didn't really know there was much outside of that. I saw Hentai and I would think that was crazy and ridiculous. I saw Vietnamese porn where everything was blocked. I didn't really pick up anything else until I started doing porn. Sex with the porn guys has been completely different in that on-set everything is always high energy and it's never just normal sex. It is always something interesting. Once they put me with this huge guy and he was telling me, 'My cock isn't that big, it's only nine inches.' I looked at him and said, 'You are joking.' And he said, 'No, it is only nine inches.' And I couldn't believe cocks came that big! He pulled it out and I was astonished that he pulled it out in front of everyone like it was nothing. It was Julian Rios."

AMAI: "I live with my grandmother in Hawaii and I also live in New Jersey but I don't really go there that much. It seems like I'm spending more time on planes than anything. The only place I can relax is in Hawaii. My grandmother recently found out I do porn and it is not as relaxing anymore. She saw me on the internet. I do not know what she was looking for to find me but she did and she called and left a voicemail while I was on the plane. She sounded very disgruntled. When I called her back she was not too happy. I can still go back there but there will be some healing time. I have two kids. My son is three and my daughter is going to be two next month. I was doing high school on line when I had them. My son is my ex boyfriend's and my daughter is from the other guy from the threeway."

AMAI: "I like girls. I had my first serious girlfriend at eighteen but I always knew I liked girls. I have a gay cousin; being Asian and a lesbian doesn't really go well. But it is always fun to work with girls. It would make sense that they eat pussy better than guys because a girl knows what they find enjoyable. But every person is different so I can't say male or female is better. I can say it varies by person. A lot of women don't even know what is going on down there for years and don't even know about the G-Spot or think it is a myth. They don't believe you can get pleasure anally. A lot of women are really in the dark about their own bodies and their own sexuality."

The set-up is kept simple. This is gonzo. They roll through the BJ and regular and reverse cowgirls. Lawrence easily hoists Amai up for some airborne. When Ivan has enough coverage Lawrence throws her on the couch and they finish with a short session of mish. He blows load on her stomach and it's over.

"You have the hottest vagina I've worked with in 705 scenes!" Lawrence says. "That's a hot vagina!" yells Ivan.

If they're telling the truth, that's saying something.

Amai heads for the shower.

"I fucked my headache away but now that I'm done fucking it's coming back," she says while running the water. Behind her eyes is a quiet storm but she's being friendly. She is and will always be a product of much untoward attention from an industry of whores. It's easy to understand why. 🐱

AURORA SNOW & SETH

Patriotic ho Aurora Snow has assigned herself the mission of boosting troop morale—soldier by soldier. Starting with Seth, she is determined to personally visit each and every enlisted man and woman in our fine country's armed forces and demonstrate her hole-hearted thanks for their service. Being the very first recipient of her gash's gooey gratitude, Seth really set out to shock and awe her with his weapon of mass destruction. Because as much as Aurora appreciates Seth's service, Seth really appreciates Aurora servicing him. She's precisely the big-breasted, creamy-skinned, blonde-haired, velvet pussied, open legged, enthusiastic wonder slut that's worth fighting for. As soon as she showed up and started sucking on his zip gun he was locked, loaded and ready for cumbat. After digging deep inside her trench with his dong for a while, Seth was ready to shoot. Aurora braced herself then gave the signal: ready...aim...fire that hose!

SERIOUS, MATURE, ADULT CALLERS ONLY PLEASE (18+)

These days, some bozo throws a lame awards show every month to hand out a cheap plastic gee-gaw to "The Dirtiest Girl in Porn." But back in the day, Belladonna really WAS the dirtiest girl in porn. When gonzo was gonzo and the gettin' was good, this wayward Mormon girl with the unusual tattoo above her boob and a bod built for trouble burned up the video screen, turning a nation of jack-offs into her blister-dicked disciples. After reaching

Belladonna

a career pinnacle as a performer in 2002 with The Fashionistas, she turned director, briefly for Sineplex, and then at Evil Angel, where after seven years she remains the sole woman in an all-male club of directors distributed through the studio.

Now twenty-eight, Bella juggles home life and porn life with her mate (and co-shooter/producer) Aiden, offering visiting talent a cozy comfort zone in which to participate in such genteel cinematic efforts as Fuck Face, Ass Wide Open and Cock Pigs. When we arrived for the first time and rang the doorbell, a tall

naked man standing behind the frosted glass was taken by surprise. It turned out to be porn stud Mark Ashley, about to enjoy the hospitality of a post-coital warm shower in the downstairs bathroom. Ah, indeed, a fitting welcome.

We dropped by again a few days later, tape recorder in hand, for a chat about Bella's life and times in the jizz biz, how her ups and downs as a onetime gangbang girl affects her relationship with her stars, the success and failure of gonzo and, of course...filthy, nasty, dirty, smutty fucking.

FOX: You're one of the few gonzo girls to have made a really successful transition to directing and owning your product, and definitely one of the first (and most extreme.) What do you bring from one arena to the next?

Belladonna: It's awesome to be a performer and cross over. I don't think a lot of directors care, honestly. I'm really good with reading people's body language and can tell if people aren't comfortable doing something. I want to know what really turns you on? What would you like to do? Then you get such a different response from a performer, you get them enjoying themselves. That's what people want to see. Then they open up to you and trust you and give you ideas, too. I've been on set with a lot of people who could care less what happens the minute you walk out. You could do a free scene for them and give your fucking heart away, and they don't care. If I feel like someone's done something that is just incredible, that they didn't have to do, I'll give them more money. Because, dude, they fucking cared enough to go there.

Porn is notorious for girls showing up fucked up out of their minds, flaking out of scenes, being a total mess. Do you run into that much?

I have encountered that. You know what made that happen less? Doing casting calls. A lot of times you go on agent's sites and these pictures are so airbrushed. They don't look a thing like the person in the picture. And then they show up and oh my god! You can tell a lot about a person in fifteen minutes.

You're an armchair psychologist?

I hope so. Maybe it works.

With your set up here, it's like they're just coming over for lunch—not anal.

They walk in the door, and it's, "Can I get you anything? Do you want something to drink?" I cater to them while they're here. I am making all the money from this product. They're getting a fair rate but in the end they are part of why I have such a great life.

When did you say, "I want to direct"?

I actually never wanted to. I really love being in front of the camera and I like being told what to do. I will do anything, you know, just tell me what. I love turning people on, and seeing the director excited about what I was doing. My ex-boyfriend Nacho Vidal used to tell me, "You have some horny ideas, you should be a director." But I thought

it would be nerve-racking to have all that pressure.

You don't want to tell people what to do. You want to be told what to do, right?

Exactly. It took me five years, until the middle of 2008, to get comfortable as a director.

You came in during the glory years of gonzo. What was that like?

Dude, it was intense. I was working every day.

It seems like everybody does any sort of extreme thing these days, but you were one of the first on the block.

I never knew the porn industry that well. But I like to see people

get excited about what I'm doing. So if they were into something and they asked me, for sure I'm going to go there. I'm willing to go places with people, it just depends on the person. Some people I'm erotic and vanilla with, and some people I'm fuckin' dirty, y'know?

It's interesting how your movies can start off all butterflies and cutie-cute and five minutes later somebody's face is covered in drool and they look like a filthy ragdoll.

That is fuckin' sex. Porn is fun. It has its downside, but as a whole people in porn are pretty fuckin' happy with their lifestyle. How many jobs can you say you get to have a different experience every day, work with people who you want to work with, travel the world and meet millions of different people who love this product you're putting out? It's a like a dream life. Once you get to a certain point. Once you went through all that shit that sucked. You're smarter, you're wiser and you have a system that works for you.

You had a bunch of brothers and sisters?

God, yes. Now there's nine of us. Back then, there was seven.

Was it a hardcore Mormon scene?

There were stricter families than mine. My parents tried to be as strict as they could. They had all these rules. It was really stupid.

Is there a strange Mormon imprint, with the multiple wives thing, that might incline someone like you towards your polyamorous sexual choices?

Possibly.

But you flipped it around.

I don't know. I feel like I am definitely more open?

I'm extrapolating.

[Laughs.]

How did you end up in porn?

I'm a very, very spontaneous person. I started doing bachelor parties in Utah. That led to stripping.

There must be a lot of bachelor parties because Mormons are so into marriage!

There are like no nude clubs there anymore. I worked at the only one that there was. And they don't have lap dances. So when you get a bachelor party, you get it all. Although they're very polite. They don't really try to touch you or anything. I always did this little spiel when I came out, I said: "Listen, just so you all know, we are not prostitutes, we are entertainers. If you leave your hands down, we'll do all the touchin'." When I feel secure, I'll rub my pussy on someone's face. When I know it's my idea. I would literally hump these guys until I would come on them. It was fun. I got into it. I actually did my first bachelor party for a bunch of cops in Salt Lake City. I was there with a friend, just to collect the money. That was it. She was like: "You can come watch." And the cops kept offering me \$50 bills. "Can you take your shirt off?" I was like: "Oh my God! This is so exciting!" I wanted to do it but I didn't want to steal the girls' spotlight. So I went over and asked my friend, "Do you mind? They're offering me money." And she said: "You do what you want." So that's when I first discovered the attention. I was like, Ohhhhhh. These people think I'm sexy and they want to see me naked!!! [Giggles.] I loved it.

Did you have your tattoo then?

That was there. I had that before I got into the business. That tattoo got me a lot of trouble sometimes. It also ended up

being one of the main things people remember about me.

It's iconographic.

It's a trademark!

That immediately set you apart.

It was such a big tattoo, too. A lot of people were like, "I don't want to shoot her." And a lot of people who didn't want to shoot me, now want to shoot me. "Now that you're famous..." I'm like, "No! Fuck you!"

Do you still get offers?

Yeah, I do. And some people I've taken up on their offers and...never again. I did a couple features. I worked my ass off. And one of them ended up being shady about money and the other was shady about agreements—over promotions and stuff. It was fun, I learned a lot. I just prefer not to shoot for anyone else.

I'm curious about a scene you did for someone else. It was in Back 2 Evil, that was pretty crazy. You and Nacho. I remember fans posting on message boards very upset about it, because you seemed distressed.

You know what happened? We had gotten into a fight right before that scene.

You were crying for real, weren't you? It wasn't just because of his cock in your throat?

Oh yeah. Which was really neat, too. Nacho and I did amazing scenes together. When you actually have history with someone, you can see that on camera. But I was pissed off at him. And he took it out on me, too. [Laughs.]

Some people would want to keep that raw emotion off camera.

But you not only want it on camera, but really dig the fact.

I like that, because it makes every performance different. Going with what you're really feeling. And crying? I don't know what it is, but crying with sex...I love that. I love feeling such strong emotions from sex, even if it's being slapped and not knowing it was coming, you know?

What about that? The physicality. Maybe just three years ago there was a lot more slapping and choking and heads going into toilets.

A lot of people started doing that just because they saw that it worked for someone else. I don't think it was something they were necessarily passionate about. That's why I get confused when people come on set and they think that's what's going to happen when they shoot for me. "Oh my God! I'm so nervous! Should I be worried? What are you going to do to me?" People see one thing that you've done and they assume that's what the sex is going to be like. I'm glad it's not like that all the time now. Not everybody's into that. And you don't always have that feeling with everybody. A lot

of directors didn't care to ask girls. They don't care if you like it.

Makes sense. Male talent's fucking two different girls a day. After a while, it's just not enough anymore. Ya gotta ramp it up!

That's true, I guess. You have a lot of sex and you want to keep it spicy and interesting.

Is it difficult to get the right guy for a scene?

Um. No. We're lucky. We only shoot one movie a month. I get a lot of guys and girls who go, "I'll work for you for free! I just want to fuck you!"

What's the craziest thing you've shot here? Probably something with Annette Schwarz!

You got that right! Well, one of 'em. She was here one day shooting a scene for *Dark Meat*. And she was with Rico Strong. And she was fucking his dick in her ass. And she pulled it out. And sometimes there's a little bit of "butt jelly" left on the dick. She goes

down there and snorts it up her nose. All I could feel was my nose burning. That must have hurt so bad. But if that's what she wants to do, go for it! Another scene was Gianna and Steve Holmes.

The Amazon!

Big breasts! I hired her for *Manhandled*, and the guys are supposed to get rough with the girls. I guess I didn't hire the right guys. Some sort of incident happened. He smacked her. She smacked him. I'm like, "Where did this come from?" We left it in the movie, it was great. It was intense and real.

Did she make the mean face?

Oh, dude. I have never seen a girl fuckin' get down like that. I will never fuckin' try to do anything crazy to her. She could beat my ass, y'know?

Did somebody hit a button? Suddenly there's all these beautiful girls doing crazy things?!

I don't know. It's like a couple of years ago, all of a sudden a ton of really amazing, smart, sexy, unique women, natural, this whole new genre of porn really...these girls came out of nowhere and they have brains and they're driven. Maybe it's the internet. People can research more. Find out what they want. Find out who they want to work with. A lot of girls know what they want to do before they get into the business and they have a plan.

Is there a difference between someone who is a natural sexual animal—like Annette, who is a total pervert—and...

I think those are the people who are made for porn.

Versus people who could be made for porn but just figure they'll get in and exploit their assets for cash?

Yeah, but there are people who do it because it's easy for them, it's easy money. It's fast and they don't have any motivation. Those are the people who give shitty scenes.

Can they fool you?

For sure, yeah. Some girls, I might have shot them three times and the more I got to know them the more turned off I got. And the more turned-off I saw that they were. They were like a robot that got switched on when the camera was there. It sucks when you really like a girl visually. It's crazy, too, because it bothers me sometimes. Why can't I shoot it no matter what? It's a blessing and a curse.

Who did you most like working with before you began shooting your own stuff?

Joey Silvera. He gets so horny. I love that. I want to shoot for people who are horny. Joey. Rocco. He's incomparable for sure. I had a lot good times with Nacho, too. But after all the shitty shit happened it burned me out. Pat Myne. Chris Streams used to shoot camera for me when I was at Sineplex.

And, finally, when you meet your fans, what do they seem to

appreciate the most about you?

I think they like being able to feel comfortable. I make them feel comfortable and they can open up to me. They never feel like I'm better than them. I give each person no matter what they look like the same exact attention. And they watch that. And they appreciate that.

I've seen the lines. It's almost like they think they're going to get a blessing.

[Laughs.] I'll put my hands on their head! "Now you may leave." That would be funny. 🐸

CURVY GIRLS 5

ELEGANT ANGEL

RUNNING TIME: 153 minutes

DIRECTOR: William H.

SLUTS: Rachel Starr, Isis Taylor, Nikki Sex, Katie Kox, and Eva Angelina.

Round abounds in *Curvy Girls 5*. This celebration of the buxom, the bodacious, and the bootylicious corrals the most womanly of porn strumpets into a compendium of contoured carnality. The boy/girl banging is pretty much by the books, but the tease sequences—an Elegant Angel specialty—are top-notch as usual and the casting is generally stellar.

Gonzo's current Miss Thang, lanky, natural-boobed Latina Isis Taylor, parades in the sun, letting the Southern California rays caress her smooth, tan flesh before the always eager James Deen lays his craven hands on it. The Deener gives Isis an aggressive pounding, but viewers will likely be more taken by how worshipfully the camera glides about her form—hugging those curves, as it were, like a Maserati cruising through the Alps—taking in every lick of lip, every wobble of ass.

The same approach goes double for Katie Kox. Who knows if they're real or not. I mean, they can't possibly be. Who cares? This babe has a rack that could nourish a cannibal army. She does the swimsuit model thing, before titty-fucking some poor schmoe into meat-puppet paradise. Rachel Starr's are clearly fake, and we don't really mind, either. There's a great tease to introduce the scene, as if all the trophy whores of the San Pornando

Valley really do at home all day in their

MTV *Cribs*-style hip-hop McMansions is perform interpretative dance to canned background beats from old 50 Cent videos. And then fuck Michael Stefano. And so she does, reminding us in her voluptuous swerve that not all porn girls have to starve themselves on a diet of PinkBerry, Red Bull and cocaine. You can eat at Carl's Jr. and still get banged for all American to enjoy.—*Bat*

ANGELS OF DEBAUCHERY 8

EVIL ANGEL VIDEO

RUNNING TIME: 147 minutes

DIRECTOR: Jonni Darkko

SLUTS: Andy San Dimas, Monique Alexander, Misty Stone, Emy Reyes, Sadie West and Katie St. Ives.

When they achieve perfect synthesis, Jonni Darkko's movies—and *Angels of Debauchery*, specifically—are like couples porn for filthy, unrepentant, masturbating hogs. The lighting and photographic elements are stylish and smooth. The girls always look amazing, not like the pimple-faced barista wage slaves they were a month before they started whoring on camera. The dudes have big dicks that stay hard, and you don't really have to look at them much, since the focus is nearly always on the soon-to-be-splattered-in-scrote-syrup mugs of the divine creatures presently impaling their skulls on said big hard cock. It's a dream world, made even dreamier by the casting of nasty sluts who look too pretty for porn—spring daisies with the libidos of pitbull bitches in heat.

I mean, have you ever seen Sadie West? She's a goddamn manic. She looks like any other cute brunette, at first, but almost immediately you sense that she's off her rocker. In a good way. In a sick way. In a way that ought to be available on-demand when you wake up with blueballs in the middle of the night and just want to explode the load over some anonymous strumpet's eyeballs and dump her outside with the pizza boxes when you're done. Only, if Sadie West got ahold of you like she does Mark Ashley, *you'd* be the one dumped outside, and when the garbage truck came they'd just toss your blue, bloated remains into the churning maw. She's *that fucking good*. At the end of this scene all you will remember is smeared, drippy mascara, West's truly horrifying guttural emissions, human goo everywhere, and an aftermath that

belongs on *CSI*. Awesome.

Andy San Dimas is almost in the same league, but she's more easy-going. She lets you do it to her instead, after warming up with a signature two-handed cock corkscrew spitty deepthroat blowjob maneuver that should be taught to every freshman coed at college orientation. Andy pleasures a studly African-American gentleman, who rewards her with one of those head-upside-down-on-the-couch heavy duty facefucks. After a huge splooge in her mouth, the dude reaches in, grabs a handful of spit and cum, and wipes it all over her face—much to the sporting starlet's delight.

Former contract diva Monique Alexander keeps it cool and collected in her scene with Ashley. But she doesn't have much choice except to do as she's told. He's got the slender blonde with the pert B-cups and floral tattoos on a leash, and well he should. The way Monique teases the dude, flicking her tongue at his blood-thickened fuck-stick, suggests she is used to toying with men. Luckily, a few jerks on her chain and the trophy whore is swallowing cock far past her tonsils and drooling like Labrador tied to a tree on a hot summer afternoon with a bucket of raw hamburger just inches out of reach. Only, Alexander gets her bone—and the Humane Society doesn't even have to get involved. There's much more fun in store, too: a three-way with Hispanic hottie Emy Reyes and sassy black beauty Misty Stone, and some classy lovemaking with cutie Katie St. Ives and slick kingpin Sean Michaels. Just to balance out the mood. There's more than enough debauchery going down here to justify the theme.

But these angels? They're more like devils. —B.C. 🐾

RUNNING TIME: 245 minutes

DIRECTOR: Mike John

SLUTS: Kitty Bella, Angelica Raven, Sara Stone, Baby Cakes, Sierra Skye and Jessica Moore.

We are all born boobaholics. Nameless, formless, a mere whisper in the ether, every human spirit is summoned into being as a mouth whose sole purpose is to find succor between a pair of big fat tits. Mike John has never forgotten. As the years whittle away at the souls of every working man, the pornographer has never let his inner child diminish, nor his passion for the funbag in its myriad shapes and sizes (assuming the sizes are C, D, DD, EE, FF and beyond.) *Boobaholics Anonymous* is Mike John's fanfare for the uncommon gland. Indeed, what Aaron Copland is to symphonic Americana, Mr. John is to the glorious wonders of the whooper.

Volume 6 of this epic celebration has plenty to shout about. Sara Stone, one of the "it" girls of the 3rd Big Natural Tit Renaissance, returns from straight life to once again receive a blast of man-chowder across her blessed chest. Half the fun is just watching her shake those things, a tip that this series is highly indulgent of tease. Lots of floppy boppy bim-bam animates each scene. Many girls, like slutty Euro blonde Jessica Moore, lounge poolside before the action starts, revealing themselves before John's encouraging gaze, then sauntering inside to suck pole. Steve Holmes unfurls a flag of jizz from his foot-long freedom stick, after fully enjoying every hole on offer...and a lusty busty tit fucking.

Nearly every scene's a winner here. We especially dig Angelica Raven, a dark-tressed gal with a sexy gap between her teeth and aureole as big and round as those baby pancakes at IHOP. She has a highly wanton sex appeal that just makes a dick happy before the rest

of a man's body knows what hit it, and whoa! She kicks off her scene with Steve French by taking it straight to the A! We're in love. Raven works over the Gallic grinding machine with those hellacious hooters before her face gets drizzled in a warm, brie-like goop. Zesty redhead Sierra Skye wins for the biggest boobs on display. She's a healthy lass who knows how to flaunt her assets, mercilessly teasing Tim Von Swine. The POV action unfolds as Skye delivers a slow BJ with tons of killer eye contact, then invites the portly raconteur to poke her vagina for a spell. Fevered rutting pleasures both parties, and before long Skye is drowning in hog venom—and fully inoculated against the perils of H1N1.

Boobaholic
Anonymous 6 is good times, a jocular, no-fuss fuckfest where the song remains the same but the gazongas go on *forever*.—B.C. 🐷

FRESH MEAT 27

EVIL ANGEL VIDEO

RUNNING TIME: 160 minutes

DIRECTOR: John Leslie

SLUTS: Isis Taylor, Andy San Dimas, Miley Ann, Bridgette B., Tiffany Tyler and Bea Stiel.

John Leslie will probably still be shooting *Fresh Meat* when he's 100, and it will still probably be pretty much exactly the same. A sultry jazz soundtrack, the hazy late afternoon shimmer of a beautiful woman in high heels walking across a marbled floor in some stage of undress, her lips wet with anticipation as the camera hovers, almost imperceptibly, behind her ass or above her cleavage...like a spy in the house of love.

The elegance of Leslie's, ahem, *mise-en-scene*, looks more and more out of place these days, when the crummiest production standards are deemed acceptable by internet companies that could care less about quality. But there you have it: The same girl who looks like shit riding the Bang Bus is a gleaming, golden fuck-angel in Leslie's lens, and like an older hepcat built for comfort rather than speed, he lets the moment develop. Jesus, it's almost, dare we say it...romantic. But fret not, cunt-hounds: It's still nasty. Nasty as Andy San Dimas double-jacking Latin lover Toni Ribas, greasing her two-fisted massage of his cock with strings of copious drool that drips off her cute little chin as she talks trash to the prone Spaniard. A sassy brunette number with an ass to die for and a face to kill for, San Dimas provides superb muscle therapy to her client from abroad. He pays her

back with a vigorous fucking and a giant, goopy load fired right at her gorgeous mug. The verbal encouragement she offers is so desperate, she might as well be begging for her life. Moments later, she needs to beg for a towel: Ribas blasts one shot up her left nostril, and a second volley splashes in her eye. Oh no, Andy San Dimas doesn't care. She again sucks the still-erect cock, eager to drain even more jizz from Ribas' depleted nutsack.

Three more scenes offer variety. Former Vivid Girl Tiffany Taylor joins Brigitte B., a strapping blonde hussy with giant fake boobs, to tag-team a willing man-whore. Later, a blue-eyed blonde strumpet with the awkward moniker Bea Stiel (uh...get it?) tackles two cocks all by herself. The numbers add up best for Mr. Pete though, who scores Hispanic hottie Isis Taylor and her just as compellingly olive-skinned hermana Miley Ann. The luscious Taylor is a show unto herself, sultry and shapely, with a refreshingly laid-back personality that's the opposite of the usual psycho hose bitch dispatched to do battle in the gonzo arena. But Mr. Pete is a lover, not a fighter, and with the soft, round, doe-eyed Miley Ann in the mix, he's not getting any arguments. Indeed, what is there to argue about? *Fresh Meat*, despite its blunt title, is gonzo with lots of class—and loads of ass—to spare.—B.C.

FAYE REAGAN & DANE

Ah, to be young, full of lust and sexy as hell. As far as that particular trifecta goes, superfox Faye has won big—boxed, straight and across the board. Her body's so smokin' it practically sings her clothes right off their frame. And her luck doesn't stop there. Freckle-face is one of those supremely fortunate few who gets to do who they truly love for a living. Yes indeed, the Dane is her main meat on camera and off. Their willingness to knock boots on the record for the viewing pleasure of the porn watching public is a wanktastic windfall for us all. That's because not much beats beating off to the sight of Faye getting fucked. With her long, fiery mane, puffy pink nips and sweet rosy snapper, she's one red-hot mama. It's easy to tell how much Dane digs sinking his stubby in her. The lucky stiff.

PEEP SHOW 4

JULES JORDAN VIDEO www.julesjordanvideo.com

DIRECTOR:

MIKE JOHN

SLUT AND PUPPET:

VANESSA LEON, ERIK EVERHARD

27154

"I'm feeling so horny, says Vanessa Leon. "Does this guy like to fuck or what?"

Vanessa and director Mike John are going through her suitcase trying to settle on an outfit.

"I did hook you up today," John answers, "You better be ready to get slammed. If you are looking for a slow day, then you're in trouble."

Just for the record, this is the kind of forward attitude you want to hear out of your porn girl du jour. In the fuck biz, just like in musical theater, it's all about the casting. John has set her up with 2010 FOX "Powerfucker" award winner Erik Everhard. They settle on a turquoise bikini.

"You have such a great body that I don't want to do anything that covers too much," says John, "Just a bra and panties type thing, you know?"

Vanessa Leon has never met Erik Everhard. She's sitting on a sofa rubbing cocoa butter on her body. I tell her that he is known for delivering super high energy bangouts and has a pyramid shaped tool.

"Oh my god, are you serious?" she laughs. "I want to be like a size queen!"

Wanting to be a size queen and actually being one, of course, are two states of being that are separated by many long hours of experimental penetration. Over the last two years of porno fucking, however, she has discovered that most porn dudes are "soda cans," and that her pussy is strong and adaptable.

"It used to be where I couldn't handle anything big but then it got to be like, MORE! MORE!" she says. "Just throw something else in there!"

An auspicious porn mood is in the air. "She's saying all of the right things," John says. "I've shot her before and from what I saw her do that time, I knew that her and Everhard would be a good match because she really appreciates an attentive male performer. She's here to have fun and if you're going to do this, WHY NOT?"

Vanessa is upbeat and full of love during the preliminaries but is impatient and wants to fuck. While John shoots the video tease she continues to harp on her current state of horniness.

"Everhard! I'm having a hard time controlling this one!" John yells.

"That works out because I have a hard time controlling myself too," Everhard says from the other side of the room. He moves in and begins a grope session. John finishes the tease set-up quickly. Let's roll! He hands Everhard the video camera to POV his own BJ and the bangout begins.

VANESSA LEON: I am 100% Mexican, my dad is from Chihuahua and my mom is from California. I'm twenty-two. Before I got into porn I was in retail management. I was an assistant store manager for Anchor Blue, a company selling surfer board shorts, flip flops, things like that. Their main store is in Ontario and I worked at a store in Arizona. I've been in L.A. for the past two years, since I started doing this. I've always wanted to do nude modeling and I didn't know it was, you know, "porn." I just wanted to do some nude photos. I looked up anyone that was taking nude photos. I thought it was just nude modeling but of course they are not going to put everything in the advertisement. When they called me back they had me go to websites and complete applications regarding what I do and don't do. I didn't know what BG was or IR, BJ, HJ. I didn't know what any of that was and the next thing you know I am out here. The first guy I heard from is Benny in Tucson, and he says, yeah you are going to make so much a month, you are going to be a model, and you are going to be this and that. All you have to do is come out here and I will start you a website and I'll get you some content for it and I am going to send you out to California the next day and you'll work out there. Then we will come back here and work on your website. Okay, I did not really know what any of that was. I had never even heard 'content' before. The next thing you know I show up and of course they are shooting the video. Thinking back, I do not remember seeing a test. He didn't tell me it was going to be me and another guy. I know now because I've been doing it. That was in Tucson at a Super 8 motel. An hour and a half later I was butt naked in the corner calling my sister telling her to come get me. I fucked both of them and I was supposed to be flying out to California the next day. I called him later and told him that now that I know what I'm going to be doing out there I would have to think about it. Two weeks later I was in L.A. Yeah, I was a little pissed because I didn't know. I thought there was just going to be nude pictures and then he says, 'Okay, it is time for the penetration shots.' And I did not know what penetration was. I was like, *What? This guy is getting naked?* I just did it."

VANESSA: "I lost all my friends starting porn, but when I came out here and started doing this it all fell into place. I love it. I haven't talked to my dad since. Or my two younger sisters, they're in high school. All their guy friends watch it and they don't want to hear or know anything about it. The older sister just gasps and says NO. My mom would rather hate what I do than not have me in her life. My family is conservative. I am a very sexual person. I like a lot of talking, you have to really get in my head, bring me to that scenario we are in. if we are in a basement fucking I want it to be dirty. Physically I like it rough: hair pulled, choking, spitting. I have no idea where that comes from. I just like to be dominated. I am very submissive."

VANESSA: "I love nipple stimulation. I was doing this boy/girl/girl yesterday and he was behind me fucking me. It was so hot and she was pinching my nipples right underneath me. It was the coolest thing and I got to get paid and go home. What the hell, right? Hair and makeup was done, felt like a Barbie. I love what I do. The very first scene I ever did I made a box cover. I'm not bashful, I don't know how you can fake having sex. Sex is sex. You are either enjoying yourself or not and you can tell. I am to the point now that it doesn't matter what you look like, I enjoy it. I've seen some scenes and want to know what they are doing because they aren't enjoying themselves. If it were me I would be, like, taking it. Yeah!"

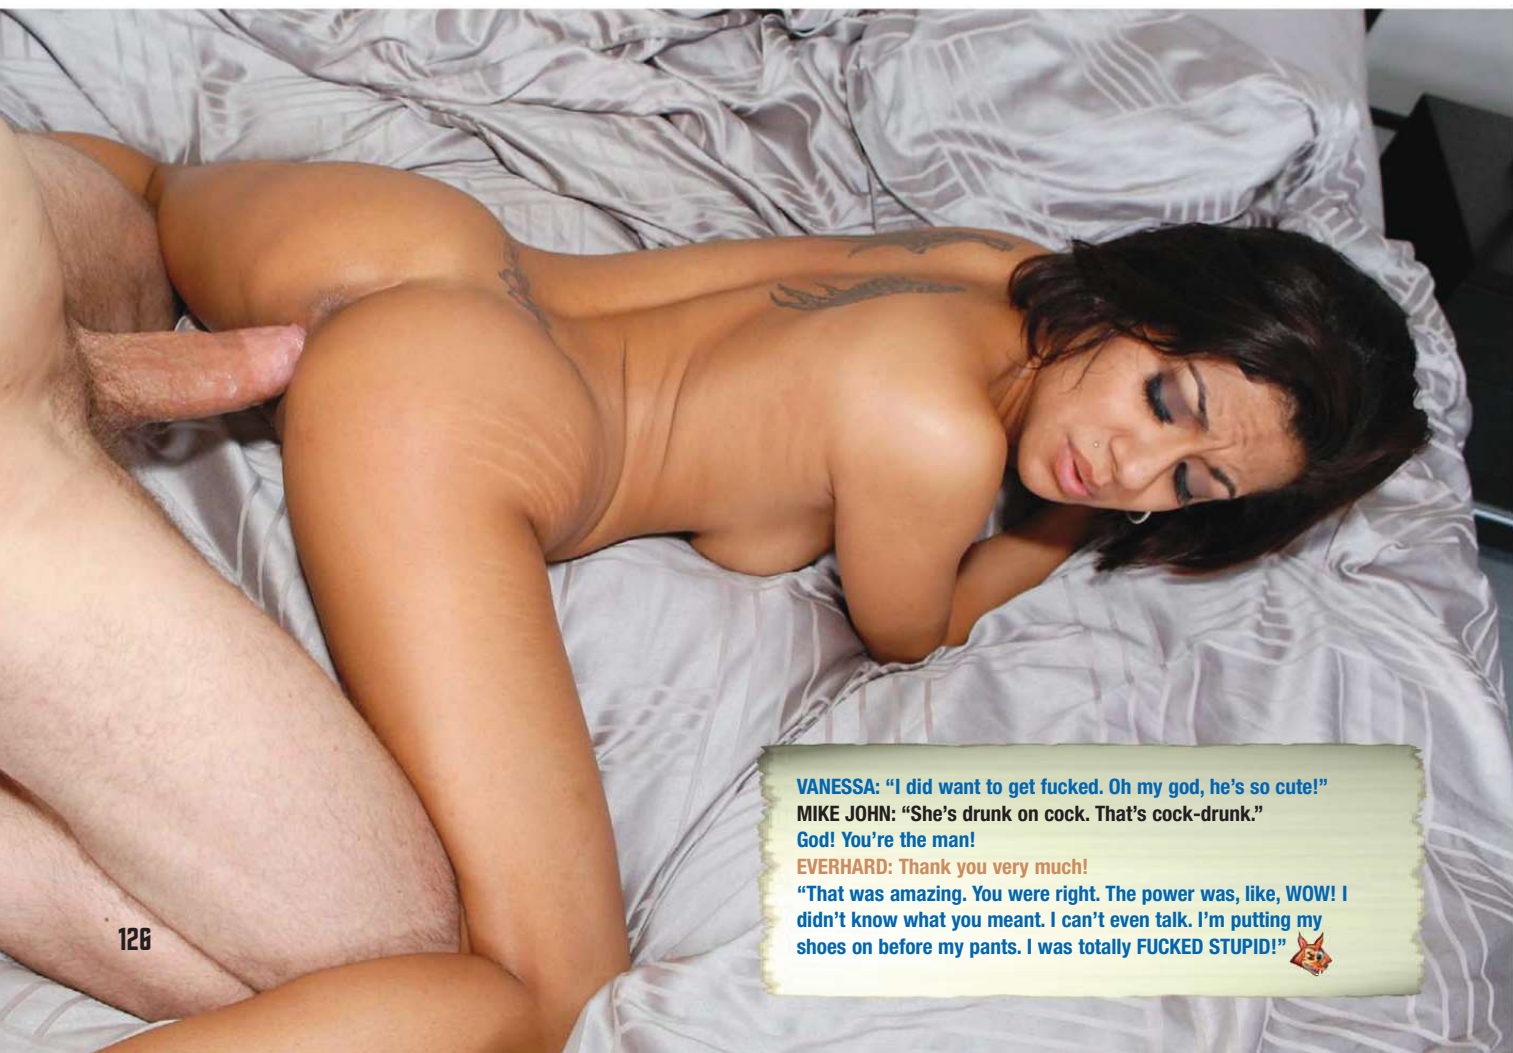

VANESSA: "I've tried anal in my personal life a couple of times but nothing ever happened and I have used my own fingers a few times while I was masturbating but, no, I'm a little too scared. I feel like I am going to have to go to the bathroom or something. The porn guys are soda cans. Every single one of them. Before porn I didn't even know I could enjoy sex. I had thirty partners before porn and more than half of those were one night stands. I never really had that long relationship where you do all the experimenting. It was all one time. However long it was and that was it. My fantasies are about gangbangs. I have done one for a scene and it was eight guys. After I was done I still went home and fucked one more. I think different things because my mind is so out there. Outside of porn I love going over to my friends' house and hanging out, of course. I'm really into building things. Some friends of mine were playing with Lego's and it was a random box without pictures, just random pieces, so you can make whatever you want. On their wall they had pictures of different pieces they made without pictures. You go someplace and you see baseball cards or baseball hats that have Lego's. I've just gotten into that as a hobby, building and being very creative. I dropped out of high school in eighth grade."

As always, if the fuck is exceptional, John keeps rolling for as long as possible before breaking. When he finally does decide to take a time out before the pop, Everhard and Vanessa don't stop because that's the last thing anyone wants to do when a fuck is going well. With Leon moaning in the background, John segues smoothly from porn director to porn theorist.

"You saw what just happened, right? I was raised by Scandinavian immigrants who never once told me that sex was anything other than healthy, natural and fun. So my job is to capture the individuals and let them be themselves so that the fan can get to see it. We're lucky, right? I mean think of what a big part of life sex is and yet porno is looked at as some joke? Here we are capturing something that is as big a part of life as this. That's human sexuality right in front of your face. We're going to be dead and gone and these movies are going to be around, right? It's such a big part of life. Some people force people into these dumb, secretary bullshit scenarios that you are supposed to take seriously. What a shame it would be to make her play something other than what she is. Really, just watching individuals do their thing—that's where it's at, man."

VANESSA: "I did want to get fucked. Oh my god, he's so cute!"

MIKE JOHN: "She's drunk on cock. That's cock-drunk."
God! You're the man!

EVERHARD: Thank you very much!

"That was amazing. You were right. The power was, like, WOW! I didn't know what you meant. I can't even talk. I'm putting my shoes on before my pants. I was totally FUCKED STUPID!" 🐈
